The property comprises a 33% share of a residential field with a total land area of 3,837 sq.m., corresponding to approximately 1,279 sq.m., situated in a prime location in Строволос, Nicosia. The field benefits from a regular rectangular shape and a flat topography, characteristics that enhance its development potential and flexibility in planning. It enjoys direct access via a registered road with a total frontage of approximately 54 m., offering excellent accessibility and visibility. The subdivision of the field to three (3) plots is in progress. (AX4060/2024) The property is strategically positioned approximately 300 metres south of Строволос K-Cineplex Никозия and around 50 metres northeast of Archbishop Makarios III Technical School, placing it within a well-established residential…
