Excellent investment opportunity in Tseri, Nicosie, offering a 75% undivided share of four adjoining residential fields. The properties are ideally positioned approximately 1 km southeast of the Tseri community center, within a quiet, established residential area. The four fields have a combined land area of 17,040 sq.m., with the 75% share corresponding to approximately 12,780 sq.m. This substantial landholding presents significant potential for residential development or strategic land banking. Key Features: •Topography: Relatively level surface, facilitating future construction. •Access: Dual access via registered roads on the southwest and northeast boundaries. •Frontage: Total road frontage of approximately 105 m. •Planning History: A planning permit was previously issued…
